

'Step it Up!' 5K raises \$81K for pancreatic cancer research

Posted Dec. 23, 2014 @ 8:00 am

Greece, N.Y.

Organizers for the "Step It Up! Cure Pancreatic Cancer 5K and Family Fun Day" held Nov. 15 announced that the event raised \$81,609 to benefit the Wilmot Cancer Institute at the University of Rochester Medical Center.

The annual event is the Pancreatic Cancer Association of Western New York's major fundraiser, and drew almost 900 people for the event which was held at Rochester Institute of Technology's Gordon Field House.
